Gators Basketball Academy Partners with FH Academy Christian School in Scarborough. We are thrilled to announce an exciting partnership between the Gators Basketball Academy and FH Academy Christian School in Scarborough. This collaboration presents a unique opportunity for our female athletes to compete at the highest level in the OSBA Prep Junior Division, facing off against top prep schools from across Ontario. One of the key benefits of this partnership is that players are not required to attend the same high school, yet still have the chance to showcase their skills and compete against some of the most talented athletes in the province. This collaboration marks a significant step in providing our athletes with the exposure and competition they need to excel in their basketball careers. We look forward to seeing our players thrive in this new and exciting environment!
